Thanks Matt,

This email was sent to you by mistake. I'm ment to reach out to schools outside of DPS. I'll include your AC in this reply so you can best work out the details.

Thanks,
Collin

Subject: Questionnaire

Hello,

Thank you for reaching out to support with this process. My teachers are saying they aren't getting the link to complete the questionnaire even though I've sent several updates. In addition, we are currently in a teacher strike so communication with them is very difficult. I think it may be easier to complete a hard copy of the questionnaire the day of the test. Is it possible to complete a hard copy?
